770-993-2124

DATE:  
Wednesday, September 13, 2006

TIME:  
10:30 AM

TOPICS:

ATLANTA-BASED NATURE'S NURSE, INC. and NOBEL PEACE LAUREATE BETTY WILLIAMS WILL HOLD A PRESS INTERVIEW OPPORTUNITY AT THE CLUBHOUSE OF RIVERMONT COUNTRY CLUB per details above.

Nature's Nurse, Inc. an Atlanta and Fiji based company with new investment from Switzerland will:

1. Announce its collaboration for children's health and welfare with Nobel Peace Laureate Betty Williams—who will be present to discuss her "World Centers of Compassion for Children, Inc."—and the importance of such business and humanitarian collaborations as that between Nature's Nurse, Inc. and her organization.
2. Discuss the clinical results for this worldwide exclusive dietary supplement which were conducted under the direction of Atlanta-based Dr. Scott Carroll, founder of one of the country's largest asthma and allergy clinics in the U.S.
3. Introduce to America its Fiji Managing Director, and company co-founder, Resina Koroi, granddaughter of island chief and unique indigenous female business owner.
4. Announce its new product, Nature's Nurse® Fijian Red Mangrove™;
5. Nobel Laureate Betty Williams and Dr. Ted Anders will be going on to Denver to meet up with 10 other Nobel Laureates for the Peace Jam conference in Colorado. The mission of Peace Jam will also be open for discussion.

For additional details about Nature's Nurse and its story and product, please see [www.naturesnurse.com](http://www.naturesnurse.com). For details on the work of Betty Williams, please see [www.centersofcompassion.org](http://www.centersofcompassion.org)

We look forward to seeing you.
